Foundation Funding Priorities:

Commitment to our Community – Bank of America Arizona

- ✓ In 2008 Bank of America Charitable Foundation, Inc. contributed \$3.6 million dollars to Arizona non-profits through local grants, volunteer and matching grants, and corporate grants.
- ✓ We are focused on issues affecting the working poor, such as housing, financial education, affordable childcare and education programs which increase peoples' knowledge and work/life skill sets which provide a positive pathway to economic self-sufficiency.
- ✓ Financial Education: Youth financial Ed K-12; Adult financial Ed in LMI communities
- ✓ Community Development/Neighborhood Revitalization: affordable housing, homebuyer education, foreclosure prevention; economic development and LMI neighborhood revitalization
- ✓ Workforce Development: Adult life skills & job training
- ✓ Health & Human Services: Affordable childcare; Food and Shelter programs; United Way
- ✓ Volunteerism: Support all above initiatives with associate volunteer hours. In 2008 BAC Arizona contributed 26,000+ volunteer hours; as of October 31, 2009 we have contributed 25,000 volunteer hours.
